## ONE BEDROOM APARTMENT at One Harrington Gardens Classic

Staying in the capital for a long weekend? Our standard one-bedroom apartments are just the ticket for you. Noticeably larger than our studio apartments, the one-bedroom option offers more privacy and space to make your own. Following suit with our collection, the apartments include a well-equipped kitchen with crockery and cookware provided.

### Location

One Harrington Gardens is located in South Kensington in the heart of Kensington and Chelsea and only a short walk away from Gloucester Road underground station. South Kensington has a wonderful mix of London's best restaurants, bars, museums and art galleries. The area is residential in character and the quick bypass through Hyde Park takes 5-10 minutes to Mayfair. Knightsbridge and Sloane Square are five minutes in a taxi.
